

CITY ELECTION

DWIGHT STEPHENSON, SPENCER ROBINSON, MRS. BARTLETT WIN OUT FOR TRUSTEES

There was no excitement whatever over the city election yesterday and there was a light vote, due, in part, to the fact that quite a number failed to register in time. The three successful candidates, Dwight Stephenson, Spencer Robinson and Mrs. Ann Patrick Bartlett, ran very evenly as their vote of 780, 752 and 633, respectively, shows. The vote for Mr. Sherer and Mr. Stauffacher was a very complimentary one as neither had any opposition. The ex-service men showed their loyalty to their comrade, Dwight Stephenson, not only by getting up a perfect organization to get out the vote, but by putting his claims before all the voters. The best of feeling prevailed among the candidates throughout the entire campaign and there are no sores left to be healed.

Mrs. Bartlett is the first woman elected to office in Glendale. The nomination came to her without her previous knowledge and she accepted with reluctance. Her candidacy was received with favor and enthusiasm from the start as her record of faithful service during the war in Red Cross and other activities had endeared her to the hearts of all. Her practical business abilities were strikingly shown in her Red Cross work and it is with confidence that the people of Glendale look forward to her work as a city trustee.

Dwight Stephenson has been identified with Glendale as boy and man for 12 years past. Interrupting a prominent career in his chosen profession of the law he eagerly entered the service of his country and by intelligent attention to every duty he rose to the rank of lieutenant during his 18 months' service. His ability as a business man is unquestioned and his loyalty to his home city has never been questioned. He has a keen legal mind and he will be a valuable asset to the city's governing body.

Spencer Robinson's 17 years' residence in Glendale have given him an insight into the city's needs that will come in good play when he takes his seat as a member of the Board of Trustees. He is a competent business man, vitally interested in the city's upbuilding, and he will give to it the most loyal service.

The three above named, with J. H. Henry and Hartley Shaw, the two holdovers, constitute the Board of Trustees for the next two years. They have some very important problems before them that will require careful study, but we feel sure they will not belie the confidence shown in them by the city's action in placing them in this responsible position.

INQUEST HELD OVER TRAIN VICTIM AND BODY BURIED

The county coroner came out yesterday afternoon and held an inquest over the body of the man run over by a Southern Pacific train last Friday morning. The engineer of the train testified that the man was lying across the track, either asleep or with deliberate intent to commit suicide, and that it was impossible to stop the train after the victim was sighted by him. The body was so mutilated that no idea could be formed as to the age or nationality of the man. The jury's verdict was that the man, to them unknown, came to his death by being run over by a Southern Pacific train and that no blame attached to the train crew. The body was interred this morning in the county burying ground.

GOOD INVESTMENTS

The Glendale Evening News is in receipt of a circular just issued by Attorney Owen C. Emery who has an office in Glendale where he deals in investment securities and stocks and bonds. The circular contains a vast amount of valuable information for the man of small means as well as the one who has a large amount of capital to invest. Mr. Emery is an authority on stocks and bonds and is very enthusiastic about this method of investment. He says the speculative element is entirely absent in the purchase of these securities which yield as high a rate of interest as is compatible with a safe investment.

WEATHER FORECAST: Fair tonight and Wednesday.

BROADWAY PURCHASES

FIFTY FEET IN REAR OF BROADWAY AND ORANGE MADE TO FACE SOUTH

Some of the real estate dealers appear to be getting excited over Broadway frontage since there has been some discussion of the improvement of the west end of the street and real estate transfers on that thoroughfare are shrouded in mystery. Two transfers have taken place recently, however, that have involved a re-arrangement of the original property located at the northeast corner of Broadway and Orange, owned by Mr. Noale on which are two residences. The rear portion of the two lots, fifty feet, has been cut off and made to face on Broadway leaving 75 feet in depth for the residences. The fifty feet of Broadway frontage has been divided into two 25-foot lots which have been sold to Philip Parker and Henry Walsma.

quire careful study, but we feel sure they will not belie the confidence shown in them by the city's action in placing them in this responsible position.

J. C. Sherer's faithful work as City Clerk for several years past has been recognized by his re-election without any opposition. A continuous residence of 40 years in this beautiful valley has given him a keen interest in every phase of the city's life and the voters are glad to feel that his hand is still at the helm. He remarked this morning that when he was first elected as City Clerk his majority was 100, the next time 200, the next time 400 and this year it is 879.

Mr. Stauffacher's re-election as City Treasurer without any one appearing to dispute the honor with him is a natural result of his careful, painstaking work in that position as his uniform courtesy and kindness in the conduct of the city's financial affairs.

It does not speak well for Glendale's civic pride and for the interest taken in the conduct of its affairs that only 1177 voters out of a registration of more than 5300, cared enough about the personnel of its officials to get out to the polls and vote. And many of these had to be urged to go to the polls. We can never have a truly representative government until every citizen feels it is his bounden duty not only to register, but also to vote whenever the opportunity presents itself.

The tabulated vote of the city, by precincts, appears below:

INJUNCTION AGAINST BUNGALOW COURT DISSOLVED

The injunction brought in the Superior Court recently to restrain A. L. Baird and Dr. T. C. Young from building a bungalow court on North Orange was yesterday dissolved and the defendants authorized to proceed with the work at their pleasure. Oliver O. Clark was their counsel in the case. The work will now begin at once, Mr. Baird says.

WALKERS RETURN TO OLD HOME

Howard Walker and family moved back to Glendale from Santa Ana last week and are occupying the old Walker homestead at 1439 E. California avenue. They had a lot picked out and arrangements made to build a home in Santa Ana, but they found the climate not suited to them, on account of the city being low and damp, so they packed up and moved back to Glendale. Mr. Walker still has the Nash agency for Orange county and has lately taken in a partner, M. A. Nay, so he will be enabled to come back and forth to be with his family quite often.

WON TO CALIFORNIA

Mr. and Mrs. Carl Gee, the sister and brother-in-law of Mr. McDaniell, who spent about two months in Glendale this winter visiting the McDaniells and other friends, returned to their home in Missouri in time to get caught in the blizzard that swept that state. They have since written relatives here to expect them in California next fall and that they will come to stay.

BONUS FOR SERVICE MEN

PLAN DEVISED BY HOUSE SUB-COMMITTEE CALLS FOR EXPENDITURES OF \$1,000,000,000

(Special Service to Glendale Evening News)
WASHINGTON, April 13.—A field bonus of \$1.00 for each day's service would be given to approximately three millions of the 4,800,000 men in the army, navy and marine corps during the war under the plan approved by the bonus committee of the House Ways and Means Committee, it was learned today.

The program which will be submitted to the full committee for approval, calls for expenditures slightly less than one billion dollars which would be raised by a tax of one-half of one per cent on all sales. It is considered likely that this plan will be the one submitted to the House soon.

PRESIDENT CALLS CABINET MEETING

WILL MEET TOMORROW SECRETARIES OF DEPARTMENTS FOR FIRST TIME SINCE AUGUST

(Special Service to Glendale Evening News)
WASHINGTON, April 13.—President Wilson has called a meeting of his cabinet for tomorrow morning, it was stated at the White House today. This will be the first occasion on which the president has met with his departmental secretaries since he left for his western trip last August. Secretary Tumulty declared the meeting was not called especially to discuss the railroad crisis, though this undoubtedly would be given attention.

FORMER EMPRESS OF GERMANY ILL

SERIOUSLY ILL IN HOLLAND AND HER DEATH EXPECTED AT ANY TIME

(Special Service to Glendale Evening News)
BERLIN, April 13.—The former Empress of Germany is seriously ill in Holland and her death is expected shortly, the newspaper Deutsche Gages Zeitung said today.

RAILROAD LABOR BILL

PRESIDENT NAMES FINAL TRIBUNAL OF ARBITRATION UNDER ESCH-CUMMINS ACT

(Special Service to Glendale Evening News)
WASHINGTON, April 13.—The president today appointed the railroad labor board which the Esch-Cummins bill created as final authority in labor disputes.

Those named for public representatives are: G. W. Hanger, Washington; Henry Hunt, former mayor of Cincinnati; R. M. Barton, of Tennessee.

Labor representatives: Alfred Phillips, A. O. Wharton, James J. Forrester.

Managers' representatives: Horace Baker, J. H. Elliott, William L. Park.

Under the terms of the Esch-Cummins law this board is a tripart body. The railroad, labor and managers appoint three representatives each, subject to the approval of the president who names three members to represent the public.

MUCH UNEMPLOYMENT

STRIKE SITUATION THOUGHT TO BE IMPROVED BUT INDUSTRIES SHUT DOWN

(Special Service to Glendale Evening News)
CHICAGO, April 13.—Middle-west industries, cut off from their coal supply, began closing down today, throwing out of employment several hundreds of thousands of men and causing a daily loss in wages and business of several million dollars. Despite this the situation was improved with several roads lifting freight embargoes.

Places hardest hit by the strike were: Gary, Detroit, Chicago, St. Louis and the Illinois mine fields. For eight days Gary has failed to receive a carload of coal and the big steel mills there laid off workers by the thousand. Approximately 80,000 workers were reported idle in Detroit. Other Michigan towns swelled the total of the unemployed another 80,000. More than 100,000 men were idle here. Nevertheless the situation has improved. The railroads handled their passenger traffic as usual and increased their freight traffic. Several roads reported good men returning to work.

PRESIDENTIAL CANDIDATE HALTED

GENERAL WOOD GIVES UP LEAVE OF ABSENCE; RESUMES ARMY DUTIES BECAUSE OF STRIKE

(Special Service to Glendale Evening News)
BOSTON, Mass., April 13.—General Leonard Wood has given up his leave of absence and cancelled all speaking engagements, the Wood Campaign Headquarters announced today.

General Wood will resume his duties as Commander of the Central Department of the army. The critical situation brought about by the railroad strike was given as the reason.

KNIGHTS' RECEPTION

GLENDALE COMMANDERY NO. 53 ENTERTAINS GRAND OFFICERS

The Glendale Commandery No. 53 had the pleasure of entertaining for their annual visit, Monday evening, in the Commandery at the Masonic Temple, officers of the Grand Commandery of the State of California. These included Federal Judge Benjamin F. Bledsoe, Grand Commander of Knights Templar of California; General Robert Wankowski, Deputy Grand Commander of California; Associate Justice of the District Court of Appeals, William H. Thomas, Grand Prelate of the Grand Commandery of the State of California; Eminent Sir Malcolm, Grand Junior Warden of the Grand Commandery from Long Beach; Eminent Commander Williams from Long Beach; Past Commander Parkes from Long Beach, and a large delegation from the Hollywood Commandery.

An event of considerable interest was the presentation to the Glendale Commandery through Past Commander Charles L. Peckham of a beautiful emblem to be used in Commandery meetings from Mrs. Kimberly, widow of Sir Charles Wallace Kimberly, who was one of the most loyal members of the Commandery and who served on the sick benefit committee during the official term of Sir Peckham as Commander. The gift was accepted by Past Commander Mattison B. Jones with an appropriate speech, on behalf of the Commandery.

The following program was then given for the entertainment of guests and members:

Vocal selection, Miss Helen Hogan accompanied by Miss Daniels.

Whistling solo, Miss Louise Hand, accompanied by Mrs. Goss.

Violin solo, Miss Linkova, accompanied by her sister, Mrs. Curran.

Russian dance and encore number by Miss Lois Naudain, accompanied upon the piano by Mrs. Naudain.

Vocal solos, Mrs. Robert Wankowski, wife of the Deputy Grand Commander, accompanied upon the piano by Mrs. Mattison B. Jones.

The ceremonies opened and closed with prayer and at their conclusion the Commandery and guests adjourned to the banquet hall and were seated at tables beautifully decorated with ferns and callendulas which had been arranged in the form of a cross. There refreshments were served and general social hour enjoyed.

W. J. BROAD GIVES OPINION ON TREE TRIMMING

W. J. Broad, 1130 East Harvard street, in a communication to the Evening News regarding the trimming of trees in the city parkways, takes exception to the criticism of City Forester Marek in our issue of March 30th, wherein the Forester stated that young trees were being destroyed by too much trimming by householders without any instructions from the proper authorities. Mr. Broad, who is a lover of trees, and a believer in judicious trimming of the same, declares that if any part of the city ordinance prohibits such trimming by unauthorized citizens, the ordinance itself is sadly in need of trimming. He is also anxious to prove his theories to anyone interested enough to call upon him.

AVALON CONVENTION

GLENN M. ELY REPRESENTS GREATER GLENDALE DEVELOPMENT ASSOCIATION

The Greater Glendale Development Association was ably represented by its secretary, Glenn M. Ely, at a meeting of the associated secretaries of Chambers of Commerce and Business Men's Associations of Southern California, which was held at Catalina April 10th and 11th. He reports an attendance of more than eighty representatives of communities and cities in Southern California including Oxnard, Hemet, Ocean-side, Pomona, Riverside, Redlands, San Bernardino, Van Nuys, Santa Monica, Ontario, Buena Park, Balboa, Newport, Redondo, Pasadena, Whittier, Baldwin Park and many other suburbs of Los Angeles.

The purpose of the organization is to create a friendly spirit which will lead to unity of effort to promote the common interests of the communities represented.

The delegates left Los Angeles at 9 a. m. Saturday morning on a Pacific Electric train and at the Catalina (Continued on Page 4)

ELEVENTH CAVALRY

TROOP OF 150 FROM THIS REGIMENT CAMPING IN GLENDALE

Capt. Willis Blunt and two of his aides arrived in Glendale early this morning to make arrangements for a visit of 150 men and 10 officers of this command to the city. Capt. Cushman Hartwell is in command and Capt. Blunt is advance and supply officer. The command consists of two partial troops made up of the seven comprising the regiment. They have been stationed for some time past on the Mexican border at Calexico, Camp Hearne and El Campo. They are now on their way to the regimental headquarters at Monterey. They are making their way by leisurely marches and stopping on the way to camp at convenient places. They are a fine set of young fellows and the citizens of Glendale will show them every honor and courtesy while they are with us. They will camp tonight and tomorrow night on the vacant lots between Orange and Central avenue, north of Harvard.

The Glendale Post of the American Legion has agreed to place its post headquarters at the disposal of officers of the visiting cavalrymen during their stay, and the Glendale Elks are also offering similar courtesies.

TO GIVE STREET DANCE

OFFICERS AND MEN OF 11TH CAVALRY TO TRIP LIGHT FANTASTIC

As the detachment of the 11th Cavalry now marching from the Mexican border to regimental headquarters in Monterey are to pay Glendale the high honor of two nights' encampment in the city, it was felt that some kind of a special courtesy should be shown them by the city, so a committee of three, Messrs. S. A. Davis, G. P. Felts and John W. Lawson was appointed by the president of the Chamber of Commerce to make arrangements for a street dance to be held tomorrow night on Broadway, between Brand and Orange. This is to be exclusively for the officers and soldiers of the detachment, and such young ladies of the city who wish to take part in the Terpsichorean revel.

The committee solicits the co-operation of all the citizens of Glendale in this function and will be grateful for any suggestions, particularly from the ladies of the city, as to details or plans. They can be easily reached by phone. Call Glendale 261-J for Mr. Davis, 1320 for Mr. Felts and 88 for Mr. Lawson.

LARGE STORAGE ROOM FOR HENRY-BROWN CO.

The Henry-Brown Company, manufacturer of Sierra beverages, is keeping on with its expansion. When the large two-story building at the corner of Isabel and Wilson avenue was acquired from the Odd Fellows, two warehouses extending the entire distance along the north and east sides of the building were added almost at once. But that did not suffice for now an additional and very large ware room is now being put up adjoining the present building on the east. It is to be not far from 100x100 feet in dimensions and will complete a quarter of a block of buildings in the one unit. This new room is to be one-story in height and all the machines used by the company will be housed in it. The space not thus occupied will be used for storage of materials used.

KNIGHTS HONORED

MR. AND MRS. JONES ENTERTAIN GRAND OFFICERS AT DINNER BEFORE RECEPTION

Monday evening Glendale Commandery No. 53 had the honor of entertaining Federal Judge Benjamin F. Bledsoe, Grand Commander of Knights Templar of California and other grand officers of the Grand Commandery. Among them was General Robert Wankowski, who is Deputy Grand Commander, and at the Grand Conclave at San Francisco April 22d and 23d will undoubtedly be elevated to the office of Grand Commander to succeed retiring Grand Commander Bledsoe. Another in this list of distinguished officers was: Associate Justice of the District Court of Appeals, William H. Thomas, Prelate of the Grand Commandery.

JURY SERVICE

To her dismay, Mrs. Ralph Meeker was summoned to report for short term jury service in Los Angeles at the court of Judge McCormick Monday morning. As she is subject to frequent severe headaches which would interfere with giving the proper attention to cases she was excused. She found that not less than half a dozen of her friends, many of the Friday Morning Club members had been called, among others Mrs. Harry Duffield, formerly of Glendale, who was also excused.

She was quite interested in the venire which included several foreigners, one a man who admitted he had come to this country thirty-one years ago and enjoyed its protection all this time without becoming naturalized. Another, a young Russian, who had been here but a short time, proudly declared his citizenship having taken out the last of his citizenship papers. Mrs. Meeker declared her instinct would have been to deport the 31-year resident who was still an alien, but that Judge McCormick was very kind and dispassionate in his examinations.

ALMOST LOST

SORORITY GIRLS OF SOUTHERN
BRANCH U. OF C. MISS WAY
ON MOUNTAIN TRAIL

Fourteen young women of the Phi Kappa Gamma of the Southern Branch University of California spent the week-end at the mountain resort, Fern Lodge, on the Sturtevant trail. Nine of the party left in advance of the others Friday afternoon and though overtaken by rain kept on and reached camp without mishap. The other five among whom was Miss Marian Kennedy, daughter of a former principal of the Cerritos Avenue School, missed a car and started on the ascent about six o'clock in the rain. In the darkness they missed the trail after passing the half-way house and finally fearing to get more seriously lost, had to make up their minds to stay where they were until daylight, which they did, spending a very uncomfortable night and arriving at camp drenched and cold. Youth recuperates, however, and they were soon all right and with the rest of the party spent a delightful Saturday and Sunday in hikes, dancing, games and the amusements girls can always devise. They returned Sunday afternoon. In the party from Glendale were Marcella Miller and Esther Schremp.

CLUB BENEFITS

MRS. A. H. MONTGOMERY ENTERTAINS FOR CLUB HOUSE FUND

Tuesday afternoon Mrs. A. H. Montgomery of 415 South Central avenue entertained with a party for the benefit of the Tuesday Afternoon Club building fund at which the

following ladies were present as guests: Mesdames Botsford, Nuna-maker, Tudor, Butts, Wright, Halstead, Needham, C. A. Wait, Charles Rudel, A. T. Dobson, Oscar Von Oven, Chester Kling, Walter Jones, Roscoe Puffer, Charles Parker, Harry Greenwalt, C. M. Van Dyke, C. L. Marlenee, Frank Ayars, Minnie Phillips, Misses Dorothy Van Dyke, Nan Jones, and Eva Daniels, and Mrs. Hann, mother

of the hostess.

The program which had been arranged by the hostess included fine instrumental numbers by Mrs. John A. Wright and several vocal solos by Mrs. Charles Parker including "Madcap Margery" which has not been heard here before.

Miss Dorothy Van Dyke, who is a pupil of the hostess, entertained with readings—"Little Orphant Annie"

(Riley) and "Angelina Johnson" (Dunbar) and quite astonished the guests by the talent displayed.

The Montgomery home had been beautifully decorated with roses, Cecil Brunner and La France, making a pretty setting for the party which terminated with the serving of sherbet and fancy cakes in which the hostess was assisted by Mesdames Wait and Rudel.

WHY DON'T YOU TRY IT?

- Hasn't the time come for you to own your own home? Haven't you been paying rent long enough?
- Have you been waiting until you can afford it—until building prices are cheaper?
- That is a poor policy if you have a family and are paying rent.

CAN YOU AFFORD NOT TO BUILD?

- Can you afford to pay out the money for rent that you might be using to make payments on a home?

- If you have the money to build you shouldn't hesitate.
- If you have not enough money you should build anyway.
- At any rate come in and talk it over with us.
- Ask about our building service and hear our proposition.
- Look over our hundreds of photographs of completed homes and our floor plans of homes.
- Tell your needs to our architect and let him advise you.

FEW SPECIAL STUDENTS

NEW AMERICANIZATION
SCHOOL LAWS DO NOT HIT
GLENDALE HARD

Some time ago an account was given of the steps which were being taken by teachers of the county in co-operation with Mark Keppel, County Superintendent of Schools, to determine how new budgets could be made to cover requirements of new school laws, what the curricula should be, etc.

The law as it now stands provides first that students shall continue in school up to the age of sixteen; second, that for those students who are sixteen and not seventeen, four hours of instruction per week in day classes must be provided in employer's time, if the young people are at work; third, that for all persons up to the age of twenty-one who have not education equivalent to that of sixth grade pupils, school privileges amounting to four hours per week in night schools must be furnished. Various committees were named to make estimates of the probable numbers of such special students, of the probable cost, and of the curriculum. In the meantime figures from the government's census have become available and also from the school census. The government's census gives no figures of value in regard to aliens or literacy of persons falling within the ages named in this law. The school census is not much better but it shows that outside the alien population there will be few special students of the classes named in towns like Glendale; also that while the provision for their instruction must be made by the schools there is no law to compel their attendance. In Los Angeles, therefore, a decision has been reached to train certain teachers for this special task and to them has been turned over the work originally assigned to committees. They will make surveys and estimates and meantime some plan will be worked out to ascertain the numbers of such special students in the local districts. An analysis of the high school census shows that only two or three students would come within the limitations of the law and it is probable that the situation will be met by detailing a teacher to furnish instruction to the few who may desire it.

High school authorities say that the intent of the law is good, but that it is one of those half-digested bits of legislation which have not been sufficiently worked out to be practically applied.

AVALON CONVENTION

(Continued from Page 1)
lina terminals found awaiting them the good ships Cabrillo and Hermosa.

The hostess Chamber of Commerce of Avalon had taken the precaution to arrange for two sorts of weather that its guests might have experience in variety. The passage over was quite rough but the return voyage Sunday afternoon was as pleasant as could be imagined.

Immediately after landing visitors were entertained at dinner and this function was followed by a ride on the gasoline goat. A business meeting was then held which lasted until 5 p. m., after which guests explored the island independently.

At 6:15 all gathered at St. Catherine's Hotel where a delicious banquet was served, the secretary of the Avalon Chamber of Commerce, H. D. Diffin, acting as toastmaster and proving a royal host worthy the enterprising association and town he represents.

After dinner speeches on the general theme "Co-operation" followed the material feast and some quite eloquent talks were made. The speakers included A. S. Dudley, Assistant Secretary of the Los Angeles Chamber of Commerce, and Secretaries Kenfrow of San Bernardino, Isham of Redlands, Lee of Santa Monica, Boyer of Pomona, and by the president of the Avalon Chamber of Commerce. So entertaining and so long drawn out were the banquet and toast programs that a vaudeville entertainment and a trip to see the flying fish by night had to be abandoned.

A full program of pleasure events was provided for Sunday however. At 9 a. m. following breakfast, the delegates were taken by Captain Cornell to Seal Rocks; at ten o'clock they enjoyed a trip in the glass-bottomed boats. After an excellent luncheon at the cafeteria the visitors were invited to the dock to greet the new steamer, the Avalon, which had made its maiden trip from San Pedro with Mr. Wrigley and a party of his friends as the only passengers. The delegates were permitted to go aboard and inspect the vessel which they found up-to-date and inviting in all respects.

Before leaving the island an excellent photograph of the convention as a whole was secured and presented to each of the visitors as a souvenir of their visit. They left at 3:15 Sunday afternoon and, as stated, had a pleasant and uneventful voyage. All were greatly impressed with the tremendous growth of the City of Avalon and the great amount of building which has taken place there, the permits showing an aggregate value for the year of \$1,350,000 with no cessation of construction. Real estate values are said to be advancing.

ORANGE LUNCHEON

Mr. and Mrs. David Black of 1450 Kenneth Road entertained relatives and close friends at an orange luncheon Saturday afternoon in honor of the seventeenth birthday of their daughter, Esther Lillian Black.

Guests from out of town were Mr. and Mrs. E. F. Hempstead of Mendota, Illinois, who are spending the winter in Los Angeles, Dr. Kate C. Moody of Los Angeles and Mrs. William Scott, her grandmother, Mr. and Mrs. C. T. Van Etten and family and Miss Ruth Nicholson, her high school chum, all of Glendale.

The color scheme carried out in the decorations and refreshments was orange and white.

G. H. Weatherspoon has taken out a permit for the erection of a four-room California house at 425 West California, to cost \$1000.

H. N. Vanwormer has commissioned W. G. Boyd to build him a modern 6-room residence at 514 North Kearwood, to cost \$4800.

Crofton and Mrs. Crofton; Daniel Campbell, Captain General of the Glendale Commandery and Mrs. Campbell; Mark T. Lee, High Priest of Unity Chapter, Royal Arch Masons, and Mrs. Lee; Frederick Baker, Master of Unity Lodge, F. and A. M., and Mrs. Baker, and the host and hostess.

It would be difficult to imagine a prettier table for a function of the sort named than had been planned by Mrs. Jones, who had given personal thought to every detail. The colors of the order, black and white with a touch of red, were the dominating motif. Centering the board was a large mirror on which was placed a big cut glass bowl filled with a mass of long-stemmed white carnations and feathery drifts of breath of heaven. Illuminating the table at either end were tall white candles striped with black in cut glass candlesticks. The favors were irregularly shaped white baskets lined with black and filled with red bon bons, the final triumph being the place cards which were surmounted by the figure of a Knight Templar in full uniform which bore a striking likeness to the host. Alternating with these at the places of the ladies were girl figurines in sport costumes, all different, but each with its suggestions of black, white and red.

A maraschino cherry was the final adornment of the fruit cocktails with which the feast opened. The menu was so much like a good old southern Christmas dinner with its roast turkey and plum pudding that the hostess finally admitted it had been planned to take the place of the dinner she did not serve in December because she and Mr. Jones were moving then. To the guests it did not seem at all out of season, but rather a delightful preparation for the ceremonies to come.
